Dear Don and Marian:

Sue and I appreciated the nice letter you wrote us recently. It was so interesting to hear of the family additions and about your work with the church there. We hope that the small gift will be of help and the unusual size can be attributed to our lack of experience along that line.

I have certainly appreciated the church paper that you have been sending. It sounds like your work there is in good shape.

Sue and I are moving Feb. 1, 1960 to the Broad St. congregation in Cookeville, Tenn. Our house is located two blocks from the Tenn. Tech. campus where I will finish my under graduate work and plan to get my Master's. The congregation has around 300 members and the elders assured me that they would approve completely of my finishing school.

If you all stay where you are now, maybe we will have an opportunity to see you occasionally. It would really be a pleasure to talk over "old times".

We certainly hope Patricia and Walt are doing just fine. Thanks for sending the picture of Patricia Lynn. Be sure and let us hear from you occasionally because we really did enjoy the letter.

Love,

Sue and John Allen
